FOR DECISION

Agenda item 4

Mandate, composition and *modus operandi* of the Redesigning Tourism for the Future Task ForceCE/117/4 Madrid
Madrid, 26 October 2022
Original: English**Executive summary**

The 24th General Assembly, in its resolution A/RES/741(XXIV), agreed to the creation of a Redesigning Tourism for the Future Task Force (the “**Task Force**”) which would, among other things, reinvigorate UNWTO and improve its working methods.

Further to (a) the functions of the Executive Council set out in Article 19(a) and (g) of the Statutes of the World Tourism Organization and Rules 2(a) and 2(h) of the Rules of Procedure of the Executive Council; and (b) the General Assembly’s resolution A/RES/741(XXIV), the Executive Council is tasked with setting out the mandate, composition and *modus operandi* of the Task Force. The 116th Executive Council decided to defer consideration and evaluation of the proposal to create the Task Force to its next session (CE/DEC/6(CXVI)).

This agenda item, submitted jointly by the UNWTO Secretary-General, the Kingdom of Saudi Arabia, and the Kingdom of Spain, proposes the mandate, composition and *modus operandi* of the Task Force, for approval by the Executive Council. This proposal was, from its inception, consulted with the UNWTO Secretary-General to ensure that it aligns with the legal framework of UNWTO.

Its aim is to deliver a vision and a plan to empower UNWTO to lead the global tourism sector in its recovery from the COVID-19 crisis, towards a tourism sector that is more inclusive, more resilient and more sustainable than ever before. This important task should start without delay.

Action by the Executive Council**DRAFT DECISION¹**

The Executive Council,

Noting that the Minister of Tourism of the Kingdom of Saudi Arabia, H.E. Mr. Ahmed Al Khateeb, communicated to the UNWTO Secretary-General a proposal of the Kingdom of Saudi Arabia to establish a Task Force which would, among other things, reinvigorate the work of UNWTO and improve its working methods, and consulted with the UNWTO Secretary-General extensively in regards to that proposal,

Recognizing that tourism is a vital sector for the global economy, which contributed 10% of global GDP before the pandemic, and that global leadership is imperative to restore the tourism sector as a major driver of economic growth and job creation,

Noting that restoring tourism to its former position in the global economy will require foresight, planning and dedicated leadership, especially from the United Nations’ only specialized agency dedicated to tourism, UNWTO,

Recalling that the General Assembly at its 24th session through its resolution A/RES/741(XXIV) agreed on the creation of the Task Force, urging the Executive Council to set the mandate, composition and *modus operandi* of the Task Force and recommending the Kingdom of Saudi Arabia and the Kingdom of Spain to be appointed as Co-Chairs of the Task Force,

¹This is a draft decision. For the final decision adopted by the Council, please refer to the Decisions document issued at the end of the session.

Having examined the proposal that, after consulting with the UNWTO Secretary-General, has been submitted by the UNWTO Secretary-General, the Kingdom of Saudi Arabia, and the Kingdom of Spain, regarding the mandate, composition and *modus operandi* (including funding arrangements) of the Task Force reflected in the Rules of Procedure of the Task Force in Annex II to the agenda item 4,

1. *Thanks* the Kingdom of Saudi Arabia and the Kingdom of Spain for taking the initiative to set out a plan for the Task Force and for consulting the UNWTO Secretary-General on this proposal;
2. *Recalls* the decision of the General Assembly to agree to the creation of the Task Force at its 24th session through its resolution A/RES/741(XXIV) and the decision of the Executive Council to defer consideration and evaluation of the proposal on the Task Force to its next (117th) session through its decision CE/DEC/6(CXVI);
3. *Recognizes* that the General Assembly has urged the Executive Council to set the mandate, composition and *modus operandi* of the Task Force;
4. *Agrees on* the mandate, composition and *modus operandi* (including funding arrangements) of the Task Force as set out in document CE/117/4 and reflected, where relevant, in the Rules of Procedure of the Task Force in Annex II to CE/117/4;
5. *Appoints* the UNWTO Secretary-General, the Kingdom of Saudi Arabia and the Kingdom of Spain as Co-Chairs of the Task Force in accordance with the General Assembly's recommendation in its resolution A/RES/741(XXIV) and the Rules of Procedure of the Task Force in Annex II to CE/117/4;
6. *Delegates* to the Task Force powers needed to execute its mandate, functions and other activities provided in the Rules of Procedure of the Task Force in Annex II to CE/117/4; and
7. *Thanks in advance* the UNWTO Secretary-General and the chairs of UNWTO Regional Commissions for selecting the members of the Task Force in accordance with the Rules of Procedure of the Task Force in Annex II to CE/117/4.

I. Introduction

1. On 25 October 2021, the Kingdom of Saudi Arabia proposed to the General Assembly of UNWTO the creation of a Task Force (defined in the Executive Summary above) that would reinvigorate UNWTO by, *inter alia*, considering changes to UNWTO's current working methods, as well as the establishment of improved programmes and initiatives to ensure that UNWTO can service the existing and future needs of the tourism sector. On further discussion of the proposal between the Kingdom of Saudi Arabia and other Full Members, including particularly the Kingdom of Spain, the 24th General Assembly considered an amended proposal (A/24/11 rev.3 dated 2 December 2021) (the "**Agenda Item**") during its 24th session between 30 November and 3 December 2021.
2. The 24th General Assembly, by resolution A/RES/741(XXIV), agreed on the creation of the Task Force. It also urged the Executive Council to consider the proposal and set out the Task Force's mandate, composition and *modus operandi* "based on the guiding principles set forth in the [A]genda [I]tem" (see A/RES/741(XXIV), paragraph 6).
3. Under Article 19(a) and (g) of the Statutes of the World Tourism Organization and Rules 2(a) and 2(h) of the Rules of Procedure of the Executive Council, the Executive Council must take all appropriate measures, in consultation with the UNWTO Secretary-General, for the implementation of the decisions and recommendations of the General Assembly and must carry out any other tasks which may be entrusted to it by the General Assembly. The Executive Council, by decision CE/DEC/6(CXVI), decided to defer consideration and evaluation of the proposal to create a Task Force to its next (117th) session.
4. By letter dated 24 October 2022, the Minister of Tourism of the Kingdom of Saudi Arabia, H.E. Mr. Ahmed Al Khateeb and the Minister of Industry, Trade and Tourism of the Kingdom of Spain, H.E. Ms. María Reyes Maroto Illera, asked the UNWTO Secretary-General to place the joint proposal of all three of those two Ministers and the UNWTO Secretary-General on the Task Force on the provisional agenda of the 117th Executive Council session. This proposal is in response to the General Assembly's resolution A/RES/741(XXIV) and was, from its inception, drafted in consultation with the UNWTO Secretary-General to ensure that it aligns with the legal framework of UNWTO. It sets out the proposed mandate, composition and *modus operandi* of the Task Force. It also includes the Rules of Procedure of the Task Force. A copy of the letter is attached to the present document as **Annex I**. The Rules of Procedure of the Task Force are attached to the present document as **Annex II**.
5. At the request of the UNWTO Secretary-General, the Kingdom of Saudi Arabia, and the Kingdom of Spain, the UNWTO Secretary-General transmits this proposal on the mandate, composition and *modus operandi* of the Task Force for decision by the Executive Council, in accordance with Rule 28 of the Rules of Procedure of the Executive Council.

II. Mandate of the Task Force

6. As provided in the Agenda Item, tourism is a major driver of the global economy. However, the COVID-19 pandemic has had a devastating impact globally and has seriously affected this vital sector. For the sector to recover, flourish, become resilient to future global shocks, and provide the jobs and growth necessary for a growing global population, it needs change, commitment and investment to benefit people worldwide.
7. The UNWTO Secretary-General, the Kingdom of Saudi Arabia, and the Kingdom of Spain propose that the mandate of the Task Force is to strengthen UNWTO and ensure that UNWTO can service the existing and future needs of the tourism sector. To that end, the Task Force may endorse a five-year strategy for reforming and strengthening UNWTO that shall be prepared by the UNWTO Secretary-General with the feedback of the Task Force Voting Members and Co-Chairs.
8. Without prejudice to the functions entrusted to the Task Force by Rule 5 of the Rules of Procedure of the Task Force in **Annex II** and described in paragraph 7 above, the mandate of the Task Force shall exclude the matters listed in Articles 38.2(d), 38.2(e) and 38.3 of the Rules of Procedure of the General Assembly.

9. The UNWTO Secretary-General, the Kingdom of Saudi Arabia, and the Kingdom of Spain propose that the Task Force present its recommendations at the 25th ordinary session of the General Assembly and that the term of the Task Force continue as: (1) recommended by the UNWTO Secretary-General; then (2) endorsed by a majority vote of the Task Force's voting members; and then (3) approved by the unanimous consent of the Co-Chairs.
10. The aforementioned mandate and term of the Task Force are based on the guiding principles set out in paragraphs 7 to 9 of the Agenda Item, which align with UNWTO's aims and purposes. They are reflected in Rule 4 of the Rules of Procedure of the Task Force in **Annex II**.

III. Composition of the Task Force

11. The UNWTO Secretary-General, the Kingdom of Saudi Arabia, and the Kingdom of Spain propose three Co-Chairs of the Task Force. The General Assembly recommended the Kingdom of Saudi Arabia and the Kingdom of Spain as Co-Chairs in its resolution A/RES/741(XXIV). In addition, and to ensure alignment between the Task Force and UNWTO, the UNWTO Secretary-General, the Kingdom of Saudi Arabia, and the Kingdom of Spain propose that the UNWTO Secretary-General also acts as a Co-Chair.
12. As provided in the Agenda Item, the Task Force will also be composed of Full Members selected from UNWTO Regional Commissions. The UNWTO Secretary-General, the Kingdom of Saudi Arabia, and the Kingdom of Spain propose that eight Full Members are recommended for selection to the Task Force by the UNWTO Secretary-General in consultation with the chairs of UNWTO Regional Commissions. The eight members shall be selected having regard to fair and equitable geographical distribution, as follows: two from the Full Members of the Commission for Africa; two from the Full Members of the Commission for the Americas; one from the Full Members of the Commission for East Asia and the Pacific; one from the Full Members of the Commission for Europe; one from the Full Members of the Commission for the Middle East; and one from the Full Members of the Commission for South Asia.
13. In addition, the UNWTO Secretary-General, the Kingdom of Saudi Arabia, and the Kingdom of Spain propose that Full Members may participate in the discussions of the Task Force as non-voting members and other individuals or representatives may attend meetings of the Task Force as observers. Such consultation will allow the Task Force to collaborate with all stakeholders to safeguard against future challenges to the tourism sector and UNWTO's work.
14. The foregoing is reflected in Rules 2 and 3 of the Rules of Procedure of the Task Force in **Annex II**.

IV. Modus operandi of the Task Force

15. The draft resolution in the Agenda Item sets out a proposal for the operation of the Task Force.
16. In light of the Task Force's proposed mandate and term, as set out above, the UNWTO Secretary-General, the Kingdom of Saudi Arabia, and the Kingdom of Spain propose that the Task Force will:
 - (a) meet regularly and in a flexible manner, including at least twice a year;
 - (b) in line with its mandate and in the manner set forth in the Rules of Procedure of the Task Force in **Annex II**, recommend changes to UNWTO's working methods, strategy and measures to materially improve UNWTO's programmes and initiatives;
 - (c) within the budget of the Task Force, commission consultants to conduct research and financial, procedural and administrative evaluations of UNWTO;
 - (d) in the manner set forth in the Rules of Procedure of the Task Force in **Annex II**, submit interim and final reports on its activities with proposals on changes to UNWTO's

current working methods, strategy (including a strategy for UNWTO and a five-year plan for the implementation of that strategy) and measures to materially improve UNWTO's programmes and initiatives and/or reforms of UNWTO to the 25th ordinary session of the General Assembly; and

- (e) submit reports on the implementation of the proposals in the reports at sub-paragraph (d) above.
17. The Executive Council delegates to the Task Force the powers needed to perform its mandate and functions.
 18. Meetings, communications, discussions and documentation of Task Force will be transparent and made available to the UNWTO members and Secretariat, in accordance with the usual procedures of UNWTO. Such transparency will facilitate full and frank discussions, while not disclosing publicly the contents of informal deliberations and/or draft documents.
 19. The UNWTO Secretary-General will also, in consultation with the Co-Chairs, perform such other roles as secretary normally entrusted to the UNWTO Secretary-General by other bodies or organs of UNWTO.
 20. The *modus operandi* are based on the Agenda Item and are reflected and set out in further detail in the Rules of Procedure of the Task Force in **Annex II** (see, for example, Rules 5, 6, 7, 10 and 12 of the Rules of Procedure in **Annex II**).

V. Funding of the Task Force

21. The UNWTO Secretary-General, the Kingdom of Saudi Arabia, and the Kingdom of Spain further propose that the budget of the Task Force shall be assigned by the Executive Council from any voluntary contributions by members of UNWTO (as defined in the Statutes of the World Tourism Organization).
22. To the extent relevant to rules of procedure, the funding arrangements of the Task Force are reflected in Rule 14 of the Rules of Procedure of the Task Force in **Annex II**.
