SMART SYNDICATION

We write and syndicate feature news stories to 2,500+ local and national media outlets, but we will always ensure original critical coverage without destroying your reputation among publications, bloggers, and journalists.

Media placement of your story in local news outlets that consumers read and trust, generating tons of local news clips you can share to excite and inspire your current and potential customers, vendors, employees, sales teams, and more.

An initial and detailed report with links to your story will be provided within days of placement. If this expected reach cannot be achieved, we will rewrite and repeat stories produced by us.

The image shows a collage of elements related to news syndication. On the right, a cardboard box is partially visible, with a blue box on top that has the text "Syndicate Content" and a white arrow icon pointing upwards. On the left, there is a screenshot of a news syndication service interface. At the top left of the screenshot is the "Travel News Group" logo. Below it, a central article titled "Escape to the Caribbean for Stress-Free Holidays" is displayed. To the left of the article are logos for several news outlets: "THE BUFFALO NEWS", "Pittsburgh Post-Gazette", "ST LOUIS POST-DISPATCH", "ATHENS BANNER-HERALD", "San Diego Union-Tribune", and "KTBS abc". To the right of the article are logos for "Herald.com", "LINCOLN JOURNAL", "StarTribun", and "news12 LONG ISLAND". At the bottom of the screenshot, there are three statistics: "2,500+ media placements of the mat release", "190+ Million Cumulative reach of the news sites each month", and "1 for \$5,500 3 for \$12k Ask About Additional Series Discounts".

Our Unique 3-Step Syndication Approach

Our syndication works differently and smartly to avoid multiplication, especially in content Google labels as duplicates.

FIRST STEP:

Our focus is on publications we own and control

Our first focus is positioning your story on eTurboNews and our publications (in-house syndication). Only once this is successful also in the search world, we go to step TWO.

SECOND STEP:

Partner publications

We will create an alternate story with the same essential message and content and push it to relevant contract publications. Travel News Asia, Hindustan Times, selected TTG publications, and Business Travel are some of our partners. There will never be a duplication penalty, so your story is unique and prominent on all partner platforms, also for the search engines (Google).

THIRD STEP:

News Aggregators and Wire Services

Only after your story has been prominently positioned twice, will we work on creating a third version to include selected mass aggregators with a proven track record, such as EIN, Business Wire, US News, and Cision, among others.

This will get your third independent version of your story on some of the most known name brands in media, such as AP, Yahoo Finance, NBC, and many more.

It will also generate the glossy reports companies such as EIN or PR Newswire are famous for.

Our focus is on helping you keep ownership of your story and not destroy your reputation with mass content that a serious journalist would never look at.

Targeted Syndication:

► We work with the best in PR and media contacts established over the last 25 years to introduce your story to the most relevant and significant publications for inclusion, interviews, and consideration. This is done by a team of experts in this field, not mass emailing or electronic pitches. The key here is not quantity but quality, and your footprint in the public domain. This approach is a mix of consulting and outreach.

► This option is only available for pre-screened clients and relevant news that could make an impact. It's not for mass production but for quality exclusive news pitches.

BIGGEST WEEKEND

FOR VISIT JACKSONVILLE

Visit Jacksonville tasked us with capturing a jam packed weekend in a town that is often overlooked as a destination. This is one of several spots, each have a unique target audience: casual weekend travelers, convention and corporate meeting planners, historical interest tourists and others.

All of these events happened over 2 days and our shooting schedule was packed.

Award Winning Documentaries & Short Film Production

- ▶ Short documentaries and narrative stories/short films.
- ▶ Film tourism—choosing travel destinations based on where movies, TV series, and video content were filmed—is rapidly gaining popularity and shaping commercial tourist offerings.
- ▶ A striking example is New Zealand, where “The Lord of the Rings” fans flock to visit the iconic locations featured in the films. This phenomenon significantly boosted tourism, with annual visitors increasing from 1.7 million in 2000 to 2.4 million in 2004—a remarkable 40% rise.

On average, a film can increase tourism and revenue by almost 31%.

What is a branded documentary?

It's a type of video content created by marketers to tell stories that resonate with their brand's mission and values. The goal is to engage the audience while subtly and elegantly integrating the brand. This method can range from a fully branded film to a more discreet inclusion of the brand's products within the narrative.

People naturally connect with personal, vulnerable, and cinematic stories.

Branded documentaries can provide a unique opportunity to tell your story in a way that resonates with viewers on a personal level—without impositions or obstructions, but in a sincere, sound, and honest way. This emotional bond can transform casual customers into **loyal brand supporters** and fans.
